## PARENTAL CONSENT TO TREAT A MINOR FOR BODY THERAPIES

Children under the age of 18 may receive massages and/or body therapies by a Licensed Massage Therapist at Bella Via Skin and Body Therapies. The child's parent or legal guardian must sign a consent form, and a Body Therapy form must be completed by the child/dependent and/or parent/legal guardian prior to the service being performed. The parent or legal guardian is always welcome to be present in the treatment room during the session. It is recommended that a parent or legal guardian be present in the treatment room or waiting room area during the session for children under the age of 16.

By my signature, I authorize Bella Via Skin and Body Therapies to provide massage and/or body therapy to my child or dependent.

By my signature, either myself or my child/dependent have completed a Bella Via Body Therapy form, and have disclosed all medical conditions, both present and/or past, on this form.

By my signature, I agree and understand that I am welcome to remain in the room the entire length of the massage and/or body therapy. It is my choice if I stay in the room with my child or dependent, or if I allow my child or dependent to be in the room alone with his/her Licensed Massage Therapist.
